Dear Sir/Madam

I am writing to seek your assistance in raising funds for a terminally ill member of our community.

Maria Azzopardi, of Caringbah, has terminal cancer at the age of 35.

She initially, at least, appeared to be winning the fight against breast cancer. She was struck down a second time, in December 05, with her lungs collapsing and after major surgery was told her cancer had aggressively returned, this time tumours in her spine.

Through a benefit night (Handz for Mazz) at Tradies Gynea, we are determined to assist Maria in her goal of spending as much time as available to her, with her young children and devoted husband.

A donation (of goods, cash or vouchers) would greatly assist in making the benefit night a success. Your generosity will enable Maria to achieve two things, time with her children and financial support with the cost of treatment.

In return, your company name and logo will be prominently displayed on the night. A receipt will be issued for any cash donations. Cheques are payable to Maria Azzopardi.

If you are able to help, it is immensely appreciated and will make a difference, if not, our sincere thanks for taking the time to read this letter.

If you would like to talk through or email any ideas, please do not hesitate to contact me.

Your Sincerely
